world of LIEBHERR

LIEBHERR

Quality, Design and Innovation

Quality in every detail

The stylish **GlassLine fittings** are made from satin-finished safety glass and are shatterproof, scratch resistant and easy to clean. These beautiful shelves are complemented by pristine stainless steel trims, which underscore the elegant design.

Our CTP models offer a spacious **4* freezer** that sits above the fridge compartment. It provides plenty of room for freezing fresh food and offers optimum conditions for vitamin/mineral preservation and long-term storage. The removable safety glass shelf makes it easier to organise and access food.

Smart Frost

SmartFrost technology significantly reduces the formation of ice inside the freezer and on frozen food so that defrosting is seldom required. In addition, the freezer's interior walls have a wonderfully smooth finish, which makes them very easy to clean.

In our CU models, all of the freezer drawers and intervening glass shelves can be easily removed to create what's known as **VarioSpace** - it's a practical concept that allows you to quickly adapt the available storage space in order to accommodate larger items. A drawer stop prevents the drawers from being unintentionally pulled out completely.

CTP models feature a generously sized **fruit and vegetable drawer** that can accommodate large items and plentiful stocks.

The chic **recessed grip handle** is ergonomically designed to allow easy opening of our CTP models. It's an ideal choice for handle-free kitchens.

LED lighting ensures optimised illumination inside the fridge compartment. CU models feature the **CoolPlus function**, which lowers the freezer compartment temperature for several hours so that food can be frozen under the best conditions.

Appliances with a **Comfort-GlassLine** interior feature high-quality door fittings that are designed to safely store preserves and bottles. The storage shelves have a satin-finished safety glass base and stylish plastic surrounds. In addition, an adjustable bottle holder helps to keep door-stored items secure.

CTPfr 2121 Comfort

Energy efficiency class: $\langle A^{++} \rangle^1$
 Energy consumption year /24 hrs: 176/0.480 kWh¹
 Total net capacity: 195 litre (Fridge: 151 litre/
 Freezer compartment: 44 litre)
 Noise output: 40 dB(A)
 Climate rating: SN-T
 Door /side walls: FireRed/FireRed
 Exterior dimensions in cm (h/w/d): 124.1/55/63¹

Controls

- Mechanical control in interior, control dial
- Individually regulated cooling circuits: 1

Fridge compartment

- Comfort GlassLine storage shelf with bottle holder, Egg tray
- 3 GlassLine storage shelves
- LED lighting
- 1 spacious fruit and vegetable drawer

Freezer compartment *★★★★

- Ice cube tray
- Temperature rise time: 22 h
- Freezing capacity in 24 hrs: 4 kg
- Safety glass fittings

Key features

- SwingLine design
- Recessed handles
- Versatile installation due to front ventilation
- Height-adjustable castors at back
- Height-adjustable feet at front
- Reversible door hinging

¹ To achieve the indicated energy consumption level, the wall spacers provided with the appliance must be used. These increase the appliance depth by approximately 3.5 cm. If the wall spacers are not used, the appliance will remain fully functional, but will have a slightly higher energy consumption level.

CUfr 3311

Energy efficiency class: $\langle A^+ \rangle^1$
Energy consumption year / 24 hrs: 210/0.575 kWh ¹
Total net capacity: 294 litre (Fridge: 210 litre / Freezer compartment: 84 litre)
Noise output: 39 dB(A)
Climate rating: SN-ST
Door / side walls: FireRed / FireRed
Exterior dimensions in cm (h/w/d): 181.2/55/63 ¹

Controls

- Mechanical control in interior, control dial
- Individually regulated cooling circuits: 1
- CoolPlus function

Fridge compartment

- Comfort GlassLine storage shelf with bottle holder, Egg tray
- 4 GlassLine storage shelves, of which one is divided into two parts
- Bottle shelf
- LED lighting
- 2 fruit and vegetable drawers

Freezer compartment *********

- 3 drawers, VarioSpace
- Ice cube tray
- Temperature rise time: 27 h
- Freezing capacity in 24 hrs: 4 kg
- Safety glass fittings

Key features

- SwingLine design
- Aluminium handles with integrated opening mechanism
- Versatile installation due to front ventilation
- Height-adjustable castors at back
- Height-adjustable feet at front
- Reversible door hinging
